

The ICAS logo is displayed in a bold, black, sans-serif font on a bright yellow rectangular background.A photograph of a woman with long dark hair smiling as she reads a book to a young girl. The girl is also smiling and looking at the book. They are in a well-lit room, possibly a library or classroom.

# WHAT IS YOUR CHILD'S FULL POTENTIAL?

Dear Parent,

**Every parent wants to see their child reach their full potential.**

ICAS, a comprehensive educational assessment program, allows you to find your child's academic strengths and weaknesses in the areas of English, Mathematics, Science and Digital Technologies.

ICAS is brought to you by UNSW Global, a not-for-profit provider of education, assessment and expertise services, wholly owned by The University of New South Wales—one of Australia's leading research and teaching universities. ICAS is distributed in the Indian Subcontinent by Macmillan Education in partnership with UNSW Global.

Assessment frameworks for each subject of ICAS take into account the skill requirements of curricula internationally. This allows ICAS to operate independently of any given curriculum while remaining relevant to what is taught in classrooms. ICAS reports give you deep insight into your child's true capabilities—assessing the higher order thinking and problem-solving skills needed for success. ICAS participation can improve curriculum performance through remediation after diagnostic assessment.

ICAS is conducted in 20+ countries with almost 9 million students participating in it. The reports show your child's comparative performance nationally and globally.

We look forward to your child's participation in this exciting assessment. Do fill in the attached form and register with us.

Thank you.

Macmillan Education

# FROM DATA TO DIRECTION

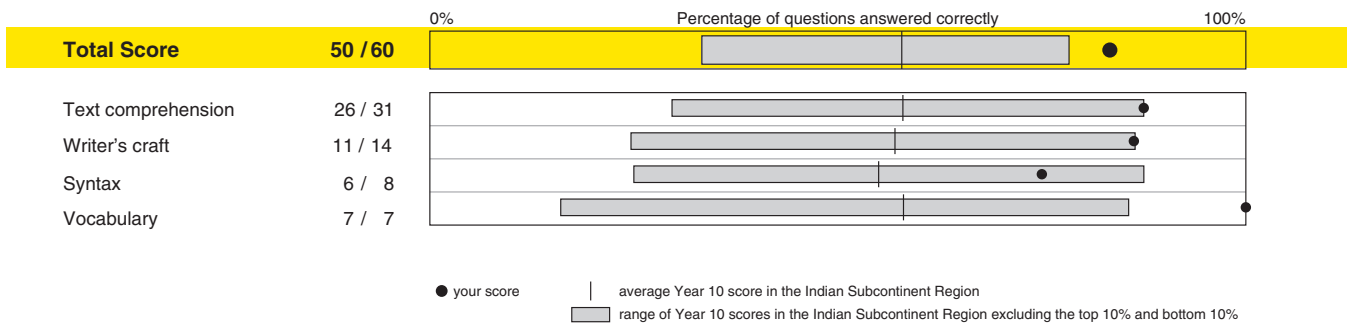

ICAS reports enable you to:

- Pinpoint your child's strengths — which skills they excel in
- Identify skill areas to be worked on, either for remediation or skill development
- See the answer your child gave to each question, as well as the correct answer
- Track educational performance as your child moves through school
- Obtain an independent external view of how your child is performing
- See your child's comparative performance nationally and globally.

## 2017 English Performance

The graph below shows your **2017 English score** and your performance in each of the different areas assessed.

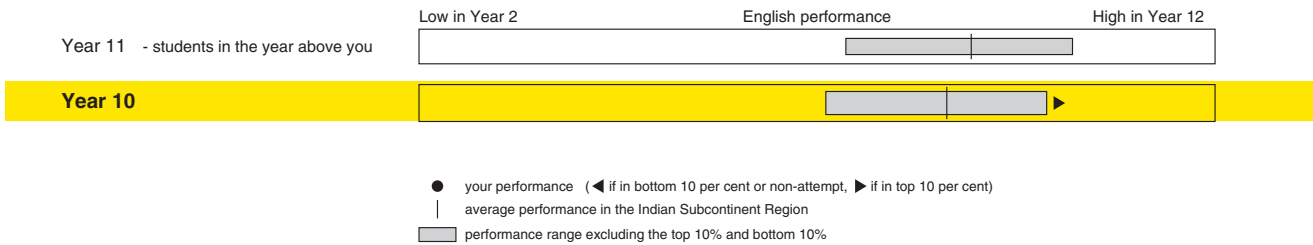

ANALYSIS BY SKILL AREA

SKILL DEVELOPMENT OVER YEARS

## Comparative English Performance

Students in the Indian Subcontinent Region from Year 2 to Year 12 participated in ICAS. The graph below compares your performance to year levels above and below (where available for the last eight years).

## ANALYSIS BY QUESTION

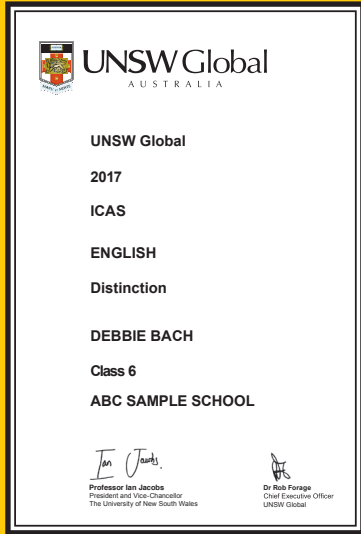

The following table shows the questions you answered correctly  and shades the questions that you answered incorrectly . The questions are ranked from hardest at the top to easiest at the bottom.

ANALYSIS BY QUESTION

Easy Q. | Difficult Q.

Question content	Area assessed	Question number	Correct answer	Your answer	Students correct in Region
Identify the correct connective to complete a passage	Syntax	59	B	A	28%
