

SCHOOL ENGAGEMENT PROGRAM

The School Engagement Program run by Macmillan in India is a realization of our vision to be “Partners in Education” with schools. It is a part of our endeavour to be more than just publishers and enrich them through our expertise in content development - scholastic and co – scholastic, training and assessment.

Through this program we keep Macmillan relevant to customers by supporting them in areas which are important to them. These areas of support could be an annual day function, an intra - School debate, a school magazine and others which offer experiential opportunities for students, teachers and Schools.

PROGRAM GOALS:

1. To provide opportunities to Schools to offer holistic education to students keeping both scholastic and co-scholastic development in scope.
2. To improve and reinforce students’ skill development and supplement classroom curriculum with relevant learning experiences.
3. To affirm student’s self-identity and cultural awareness by providing opportunities for interaction and creativity.
4. To develop mutual support and understanding between Macmillan and our customer Schools.

PROGRAM STRUCTURE:

The School Engagement Program is designed as an on-going program in which Macmillan offers support directly to a selected School or Schools. The purpose of such a program is to help young people appreciate the importance of a holistic education. The program contributes towards a positive relationship with our customer Schools.

EXAMPLES OF PARTNERSHIP ACTIVITIES

CAPACITY BUILDING:

Development of math, languages and science – science exhibitions, math Olympiad, quizzes

SKILL DEVELOPMENT

Creative, critical thinking and leadership skills

Technological skills of teachers and students by building awareness of new developments in the field of education

CULTURAL AWARENESS:

Musical and dance performances on our cultural heritage to encourage talent in students

School carnival and fete, summer camp, art competitions

SCHOLARSHIPS:

Recognition or awards for special education students

Prizes for bright and deserving students for exemplary performance in the fields of arts

CAREER ORIENTATION / CAREER PREPARATION:

Provide career counselling for students in the School

GUIDANCE AND COUNSELING:

Parenting workshops and teacher motivation activities

HEALTH & WELLNESS

Sports tournaments and sports day celebrations
